

## ANTONIO'S RISTORANTE

Antonio's knows this is a difficult time for families – too many things to do in a short period of time and under emotional distress.

Our staff can help you with menu choices and quantities, either over the phone or during a brief meeting. For larger catered receptions, you may need to plan for staff for the set up and clean up, leaving the family free to greet attendees.

The following menus range from very simple to more substantial. Of course, we are always happy to adjust the menus to make everything just right for you and your family. If you would like us to create a custom menu for you, please let us know and we would be happy to do so.
